

Tot Spot Café Newsletter

Issue 1 - October 2007

Thanks for signing up for our Newsletter. I am thrilled to report that we have passed the Health Department approval process and will be breaking ground within the next few weeks! Now I can finally start planning our Grand Opening, which I hope to announce in the coming weeks. I look forward to seeing all of you sipping lattes and watching our kids romping around together.

I am also looking for employees for the Café. I will be hiring for these three positions:

- Play Area Attendants
- Café Staff Members
- Barista Staff Members

The hours are perfect for someone with kids in school who are looking for “Mommy Hours” as well those who want to pick up some weekend shifts for Family Hours and Private Parties. Please email info@totspotcafe.com for more information.

I want to send a special thanks to all of you for the unwavering support I have received in getting The Spot up and running. I am amazed at the community I see forming around me and know we are creating a space to benefit all of us.

I'll be in touch once we can announce our opening date and let you know what I have planned for the Grand Opening!

Best,
Kat Stremlau
Owner, Tot Spot Café
