

Tot Spot Café Newsletter

Issue 4 - April 2008

Hello all,

What a month it has been! Since our Grand Opening on March 24th, we have had over 1200 happy kids and their parents visit us at Tot Spot. It is just a joy to see all the little ones trying out the fire engine or playing on the school bus...and snacking on our toddler plates, of course. If you haven't had a chance to stop by yet, we are open 9-4 weekdays and 10-4 on Saturdays.

Need Potty Training Help?

I am please to announce that we have partnered with a local Potty Rockers educator who will be hosting classes out of the café! They begin at the

end of May and you can register at <http://www.pottyrockers.com/pamkooms> - this is a great way to introduce the potty in a very fun way. I have my 20 month old signed up already!

Playgroups!

We have also had a lot of playgroup reservations coming in...which is great! If you have a playgroup that wants to make a reservation, simply email me the date, time, name of group and number of moms and kids and I will reserve your slots on the calendar. I will also have a seperate sign-in sheet for your group. Send the email to info@totspotcafe.com and we will get you on the books.

Check out our new Calendar

We have added a new calendar feature on our website which will show you all the scheduled events and playgroups. This is a great way to check if the cafe is going to be crowded before you leave the house! You can find the calendar at:

<http://www.totspotcafe.com/calendar.php>.

Future Plans

I am in the process of getting viewing licenses for several movies so we can have a Family Night at the Movies where you can buy tickets in advance and bring the whole family to the cafe to play and watch a film. I'm sure this will be a hit in the summer considering we are one of the few places that have air conditioning! We're also getting ice cream when the weather gets warmer (crossing my fingers).

Our Parties

We've had a few and they have been great. The kids are having a blast and the layout of the cafe means the parents are able to socialize, too! Here's the general info on the parties...and as always, feel free to give me a call at 425.488.2795 to talk.

Have a great rest of April...though you wouldn't know it with all this hail!

Best,
Kat Stremlau
